Minutes of the
1962 ANNUAL BUSINESS MEETING
of the
PSYCHOMETRIC SOCIETY

The regular Annual Meeting of the Psychometric Society was held in St. Louis on September 5, 1962. President Philip H. DuBois called the meeting to order at 11:00 A.M.

The minutes of the 1961 Annual Meeting were accepted as read.

The chairman of the Election Committee, Dr. Frederic M. Lord, reported that Dr. Lyle V. Jones had been elected President and Dr. Allen L. Edwards, President-Elect. Because of the adoption of the new by-laws, the 1962 election involved the unusual feature of electing two presidents with one set of ballots. The President was chosen through the usual preferential counting process. All ballots were then processed as though the name of the President had not appeared in determining who was to be President-Elect. The committee report was accepted with thanks.

The report of the membership committee was made by Dr. J. W. French in the absence of the committee chairman, Dr. B. Fruchter. Fifty persons were recommended as Members and 43 as Student Members. It was moved, seconded, and passed that the following persons be elected as members.
